EB Progress Bar

Creative Blocks · https://essential-blocks.com/docs/progress-bar/

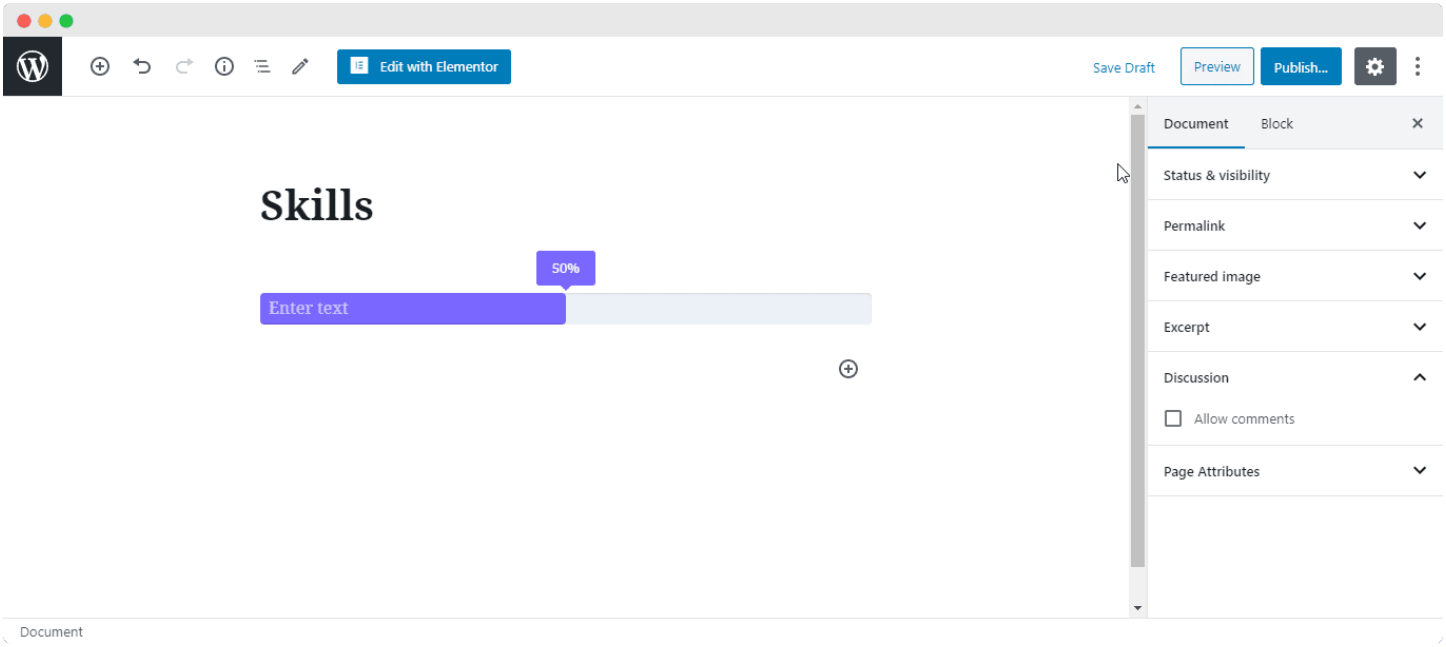

EB Progress Bar allows you to showcase key information about your company or personal profile. With the help of this element, you can easily visualize progression in specific fields in an eye-catchy manner.

How to Activate EB Progress Bar

To activate this **Essential Blocks** element, click on the '+' icon to add a new Block. Afterward, find **'Progress Bar'** from the search option. Simply just click on the Block and it will be activated.

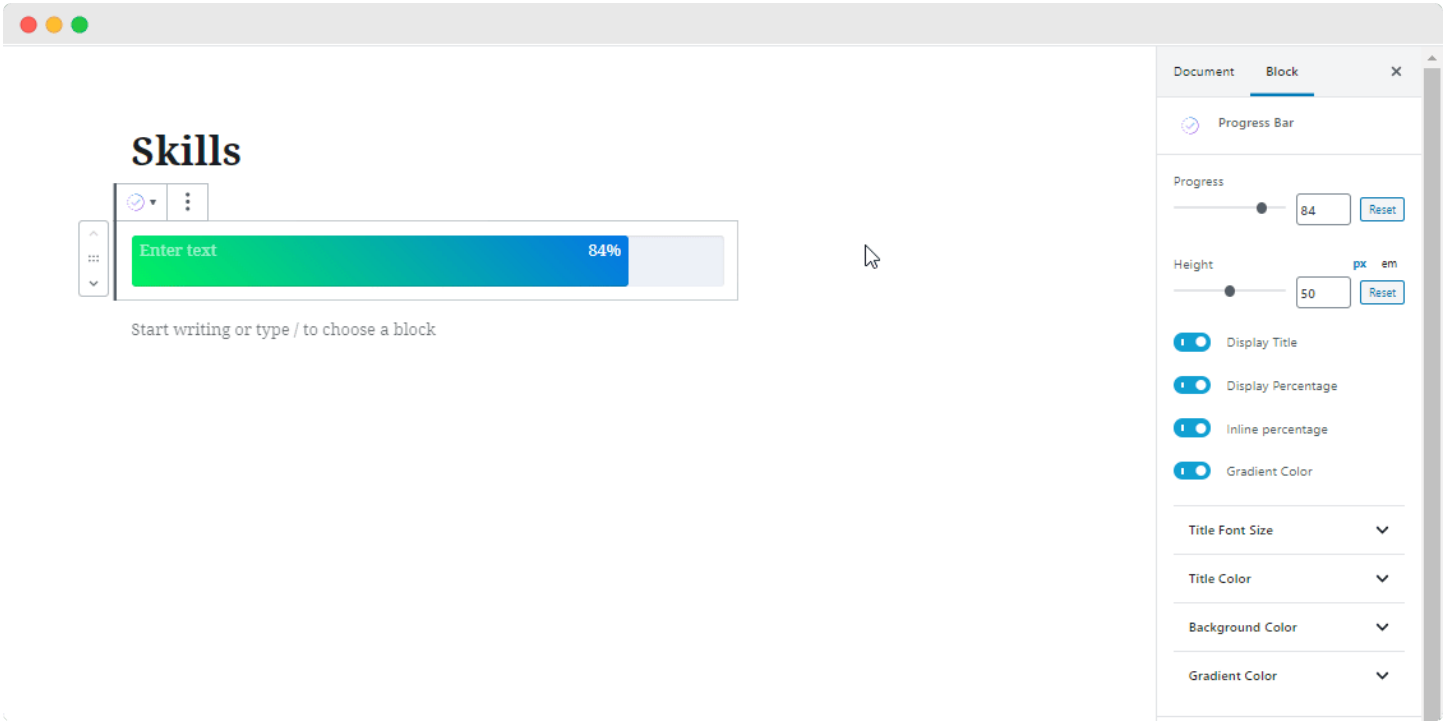

After you are done with this step this is the default layout you are going to see.

How to Configure the Layout Settings

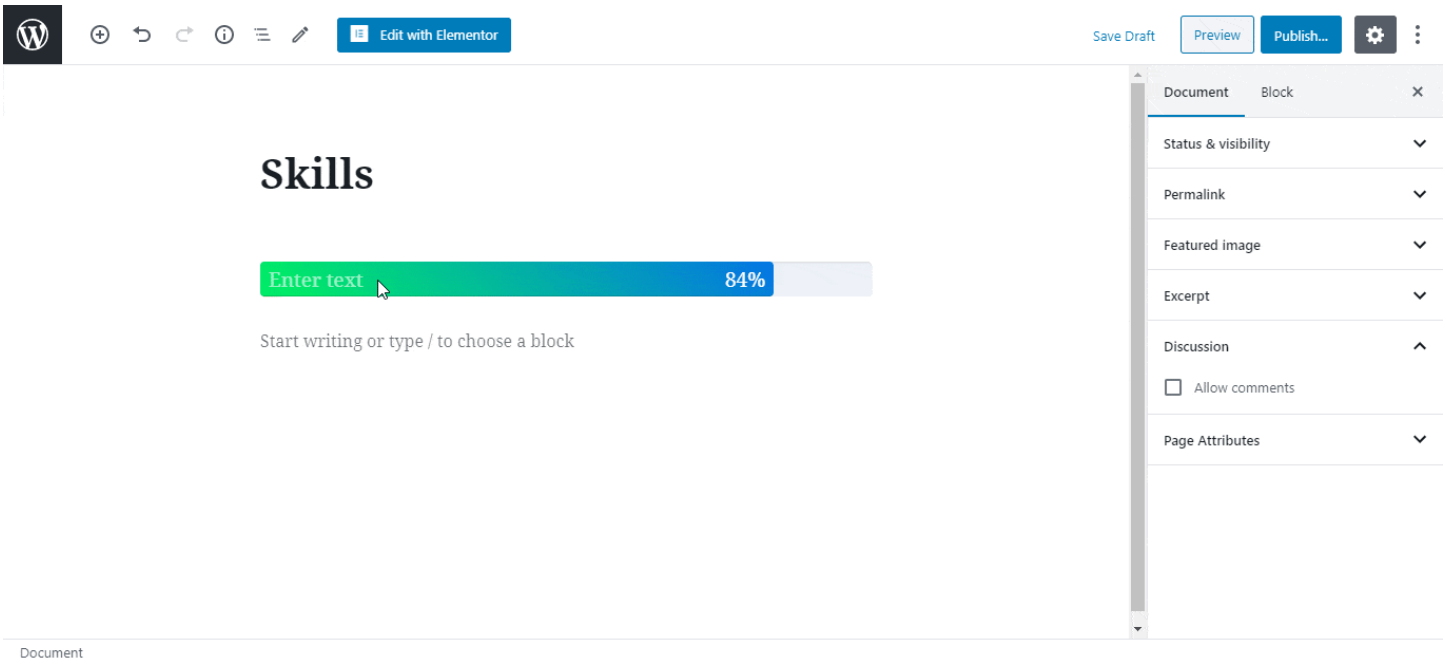

From this section, you are able to change the percentage of the **EB Progress Bar** with its height. Simply just the slider to increase or decrease the value. You are able to add your own title for the **bar** .

Besides, you can use the toggle to display or hide the Title and Percentage. By default, the percentage is shown in a tooltip. If you wish, you can display it inline by turning on the toggle ‘Inline Percentage’. You can even apply Gradient Color for the block.

How to Style EB Progress Bar

You have the freedom to change the Title Text and the font size of your Title for the **bar**. You can also change the color of the Title, Tooltip, Percentage, and the Background color for the **EB Progress Bar** .

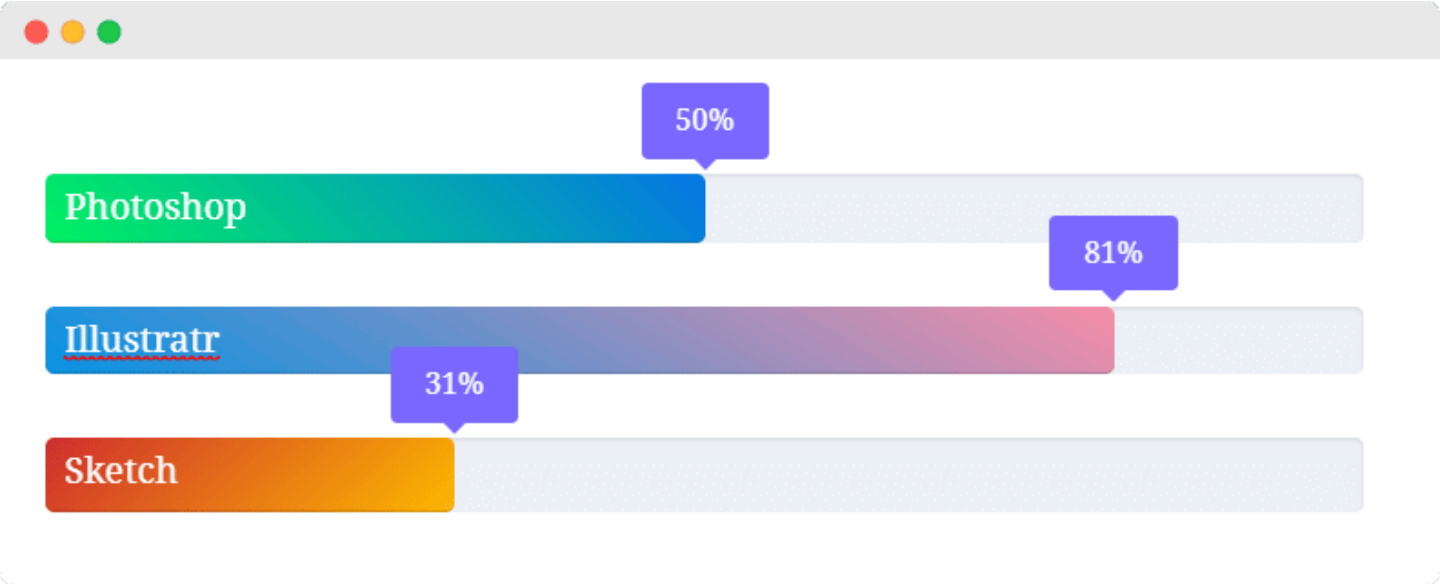

On the other hand, for Gradient Color, you can either choose it to be Linear or Radial. You can add your preferred first and second colors.

Moreover, you have the flexibility to change the position of both colors as well. If you wish, you can even change the angle for how you want your gradient colors to display.

Final Outcome

By following the basic steps and a bit more modifying, you can style your **EB Progress Bar** however you want.

With the help of **EB Progress Bar** from **Essential Blocks**, this is how you can showcase your skills or a key information about your business and grab everyone’s attention.
